## INVOICE

### INTRODUCTION TO JUDAISM

By signing the form below, I confirm that I understand that this is only an Introduction to Judaism course (and is not in itself a Conversion course), and that if I wish to continue to a conversion undertaken and recognised by the Union for Progressive Judaism (UPJ), I will need to be accepted and supervised by a Rabbi (the Sponsoring Rabbi) who I know to be a current member of the UPJ Rabbinic Council.

### PROGRESSIVE JUDAISM VICTORIA (PJV) TUTOR

When you require PJV to provide an experienced tutor and supervision, the Registration fee (initial payment) also includes the cost of tutoring and reviewing the first unit. The fee for the tutoring and review for the subsequent six units is \$165 per unit. You will receive a PJV certificate on satisfactory completion of the course.

### INDEPENDENT TUTOR

If you prefer to use an independent tutor (connected to or recommended by a community in your area), you can register using the same form for a one-off cost of \$185. This allows use of each of the seven study units for one individual or couple but you will need to make a separate arrangement with the independent tutor who is guiding the study. Because the tutor is not working directly with PJV, we reserve the right not to issue a certificate.
